The parts that are the subject of this order may be subject to U.S. laws restricting the export and re-export of certain sensitive products and technology. These laws include export regulations administered by the U.S. Department of Commerce and the U.S. Department of State as well as economic and trade sanctions programs administered by the Department of Treasury (collectively, "U.S. Export Laws"). By receiving these parts you agree that you are legally responsible for using or distributing these parts in compliance with U.S. Export Laws and that you will comply with these laws, including not selling or distributing the parts to prohibited parties or end users as described in the U.S. Export Laws and obtaining all necessary export licenses or approvals that may be required if you sell or export the parts to parties or countries for which a license or approval is required.
